

ANNUAL REPORT  
OF THE  
DEPARTMENT OF  
MUNICIPAL AFFAIRS  
OF THE  
PROVINCE OF ALBERTA  
FOR THE YEAR  
1941

---

PUBLISHED BY ORDER OF THE LEGISLATIVE ASSEMBLY

---

EDMONTON:  
A. SHNITKA, KING'S PRINTER  
1942

Edmonton, Alberta,  
November 5, 1942.

TO HIS HONOUR,

J. C. BOWEN,

*Lieutenant Governor of the Province of Alberta.*

SIR:

I have the honour to transmit herewith the Report of the Department of Municipal Affairs for the year 1941.

I have the honour to be, Sir,

LUCIEN MAYNARD,  
*Minister of Municipal Affairs.*

## OFFICE OF THE DEPUTY MINISTER

October 29, 1942.

HON. LUCIEN MAYNARD,  
*Minister of Municipal Affairs,*  
Edmonton, Alberta.

SIR:

I have the honour to submit herewith the Thirtieth Annual Report of the Department of Municipal Affairs for the year 1941.

### LEGISLATION

During the year 1942 the following Acts or Amending Acts were placed on the Statutes of the Province, all of which have some bearing on the work of the Municipalities or the Department:

An Act to Authorize Municipalities and other Public Bodies to Invest Surplus Funds in Dominion of Canada War Loans and to Validate Order in Council No. 781 of 1941 as amended;

The Limitation of Actions Act, 1935, Amendment Act, 1941;

The Local Authorities Borrowings Guarantee Act, 1937, Amendment Act, 1942;

The Municipal Hospitals Act, 1929, Amendment Act, 1942;

The School Assessment Act, 1931, Amendment Act, 1942;

The Soldiers Relief Act, 1940, Amendment Act, 1942.

### STATISTICAL INFORMATION

The statistical information contained in this Report is compiled from financial statements furnished by the various Cities, Towns, Villages and Municipal Districts, and covers the calendar year 1941. Information regarding Improvement Districts is taken from departmental records and covers the fiscal year from April 1st, 1941, to March 31st, 1942.

#### *Cities (7)*

There has been no change in the number of cities.

Population again shows an increase, being 7,041 over 1940.

*Assessment.*—Land assessment for the first time in many years shows an increase over that of the previous years, while all other assessments, except Special, have also increased. In total there has been an increase of \$1,787,926.00.

*Taxation.*—A small decrease is again reflected in the current tax levies, while tax collections have increased over that of the previous year \$104,560.00. Total tax collections amount to 112% of the current levy.

*Debentures.*—There has been a decrease of \$2,088,338.00 in outstanding debentures from the amount reported in 1940. The Sinking Fund shows a decrease of \$654,338.00.

*Temporary Loans.*—The substantial reduction of \$830,327.00 in temporary loans outstanding as compared to the 1940 outstanding loans is proof of the improved financial position of the cities generally.

*Towns (53)*

The figures in this Report refer to 52 towns only, as the Town of Lloydminster reports direct to the Province of Saskatchewan.

*Assessment.*—The total net assessment for towns shows an increase of \$271,167.00 over the figures shown for 1940. Land assessment shows a decrease of \$144,348.00, Building and Improvement assessment an increase of \$351,157.00, while all other assessments show slight increases.

*Taxation.*—The 1941 tax levy shows an increase of \$31,285.00 over the 1940 levy, collections have increased \$75,383.00 and cancellations \$57,398.00.

Tax collections were 101% of the current levy in 1941, which is the first time since this information was first compiled in 1927 that collections have been more than the current levy.

*Receipts.*—Total receipts show a decrease of \$135,669.00. The only receipts showing an increase are from Municipal Taxes, Utilities and Trust Taxes. The principal decrease in receipts was from proceeds of Debentures Sold.

*Payments.*—Decreases in payments are shown under Grants, Aid, Relief, etc., Utilities, Debentures and Loans, while a slight increase is reflected in Administration, Social Services, Trust Taxes Remitted and Sundry. Increase of \$68,809.00 in Protection of Person and Property payments and decrease of \$63,215.00 in Public Works payments is mainly accounted for by a transfer of payments for Street Lighting from Public Works to Protection of Person and Property.

*Assets.*—Improvement in town finances generally is reflected in an increase of \$49,668.00 in Municipal Bank Balance and Cash on Hand at December 31st, 1941, over that reported in the 1940 Report. Small decreases are noted in all assets except Municipal Cash on Hand as noted above, Inventories and Supplies on Hand and Sundry Municipal Assets, all of which have increased in amount slightly.

*Liabilities.*—Total liabilities have decreased \$77,582.00 from the amount reported in 1940, which is accounted for by decreases in Outstanding Municipal Cheques, Accounts Payable, Debentures, Sundry Municipal, Utilities and Sundry Trust Liabilities. Small increases are reported in Unpaid Loans, Outstanding Trust Cheques and Uncollected Trust Taxes.

*Loans and Debentures.*—\$17,200.00 of debentures were issued in 1941, while the Debentures outstanding have decreased \$46,214.00 during the year. Temporary Loans Unpaid at December 31st, 1941, have increased \$2,545.00 from the sum outstanding at December 31st, 1940.

*Villages (145)*

There were no changes in villages in 1941 from that of the year 1940.

*Assessment.*—There has been little change in assessment from that reported in the year 1940, the total having decreased \$47,836.00. Land assessment has decreased \$102,816.00, buildings and improvements increased \$36,419.00, Business tax assessment decreased \$27,578.00 and Special assessments have increased \$46,139.00.

*Taxation.*—The current levy shows a decrease of \$6,826.00, while collections have increased \$16,213.00. Penalties, reinstatements, cancellations and discounts have varied very little from amounts reported in 1940.

For the first time since at least 1926, Municipal tax collections have been more than the current levy, being 100.34% of the current levy in 1941.

*Receipts.*—Municipal and Trust Tax Receipts have increased \$16,364.00 and \$13,010.00 respectively over amounts reported in 1940, receipts from Advances and Charges Repaid have decreased \$10,528.00. Little change has taken place with respect to all other receipts.

*Payments.* — Payments for Administration have increased slightly, while that of Protection of Person and Property have increased \$47,521.00, which is accounted for largely by the fact that payments for street lighting have been transferred this year from Public Works to Protection of Person and Property. Mainly on this account Payments for Public Works have decreased \$32,550.00. Payments on account of Social Services have remained practically the same, while that for Grants, Aid, Relief, etc., have decreased \$7,629.00. Sundry payments have increased \$12,005.00 and Trust taxes remitted \$16,966.00 over those of 1940. Cash and Bank Balance at December 31st, 1941, has increased \$14,243.00 over balance at December 31st, 1940.

*Assets.*—Total Assets again reflect an increase over that of the previous year, the increase being \$52,779.00. Principal increases have taken place in Municipal Bank Balance and Cash on Hand and Fixed Assets which have increased \$21,507.00 and \$35,517.00 respectively. The only decrease of any account was in Sundry Municipal Assets, the decrease compared with that of the year 1940 being \$22,806.00.

*Liabilities.*—Total Liabilities have increased \$18,796.00 principally because Uncollected Trust Taxes have increased \$22,860.00, whereas most other liabilities have decreased slightly.

*Loans and Debentures.*—Debenture liability has been reduced \$2,381.00 from that reported in 1940 with no new issues during 1941. Unpaid Temporary Loans have increased slightly from \$2,765.15 in 1940 to \$3,014.76 at December 31st, 1941.

#### *Municipal Districts (143)*

There were no changes in Municipal Districts during the year under review.

*Assessment.*—The total net assessment shows very little change from 1940, a reduction of \$868,803.00 having taken place.

*Taxation.*—Although the current levy for 1941 shows an increase of only \$36,165.00, collections of current and arrears of taxes show an increase of \$454,570.00. As a result of this greatly increased collection, arrears of taxes at December 31st, 1941, show a decrease of \$124,565.00 as compared with arrears at December 31st, 1940.

Tax collections were 104.8% of the current levy, which is the highest percentage of collections since this information was first compiled in 1927.

*Receipts.*—Increases in receipts are shown for Municipal taxes of \$445,854.00, and Municipal Revenue other than taxes of \$102,553.00. Decreases in receipts are shown under Advances and Charges Repaid of \$99,592.00 and receipts from Loans of \$195,599.00. Otherwise little change is shown in receipts.

*Payments.*—Increases are shown for payments under Administration, Social Services, Public Works, and Sundry amounting in total to approximately \$250,000.00, while decreases are reported for Protection of Person and Property, Grants, Aid, Health Relief and Loans, which amount in total to approximately \$180,000.00.

*Assets.*—Total assets show an increase of \$193,937.00, principally accounted for by increased Bank and Cash Balances of \$291,793.00, and increase in Fixed Assets of \$46,597.00. Decreases are shown in Uncollected Municipal Taxes, Due from Trust Funds, and Inventories and Supplies on Hand.

*Liabilities.*—Total liabilities show a decrease of \$190,678.00, thus following the trend which has been noticeable for some years past. Liabilities for Accounts Payable General decreased \$31,930.00, Social Services \$34,553.00, Health \$67,108.00, Unemployment Relief \$11,050.00, Loans Outstanding \$122,628.00, and Sundry \$3,022.00. The only liabilities which show an increase are Outstanding Cheques and Due to Trust Funds.

*Loans.*—All loans outstanding at December 31st, 1941, show substantial decreases from the amount owing at December 31st, 1940. Seed Grain has decreased \$234,723.00, Municipal loans outstanding have decreased \$122,627.00, while School and Hospital loans have decreased \$135,303.00 and \$15,406.00 respectively.

*Mill Rate.*—In 1941, 106 Municipal Districts' mill rates remained the same as in 1940, in 24 Municipal Districts the mill rates were raised, and in only 13 were they lowered.

The average mill rate in 1941 was 10.68, a slight increase over the 1940 average mill rate of 10.5.

#### COMPARISON OF AVERAGES, 1940-1941

	1940	1941
Average Total Net Assessment .. .. .	\$1,986,592.00	\$1,980,516.00
Average Municipal Current Tax Levy .. .	20,916.00	21,169.00
Average Municipal Tax Collections .. .	19,013.00	22,192.00
Average Uncollected Municipal Taxes, Dec. 31st ..	42,270.00	41,399.00
Average Payments made for:		
Administration .. .	3,599.00	3,684.00
Protection of Person and Property .. .	576.00	528.00
Social Services .. .	1,063.00	1,466.00
Health .. .	1,822.00	1,935.00
Relief and Grants .. .	2,294.00	1,708.00
Public Works .. .	12,131.00	12,843.00
Loans .. .	6,961.00	6,222.00
Sundry .. .	975.00	1,517.00
Average Liabilities for:		
General Accounts Payable .. .	1,298.00	1,074.00
Social Services .. .	2,960.00	2,718.00
Health .. .	1,090.00	732.00
Relief .. .	479.00	402.00
Loans .. .	1,588.00	730.00
Sundry .. .	1,502.00	1,481.00

#### MUNICIPAL HOSPITAL DISTRICT TAX AND REQUISITION STATEMENT

The same remarks apply again this year with respect to the above statement in that some figures do not pertain to actual taxes levied, but to the collection of money under a hospital agreement and the payment of hospital bills.

## SCHOOL TAX AND REQUISITION STATEMENTS

The above statements show the standing of the Municipal Districts not only as regards requisitions and payments thereon, but also as to the tax position.

In the year 1941 a further two School Divisions were in operation, which brought the total number to 48. This decreased the number of Municipal Districts not in school divisions from 3 in 1940 to 2 in 1941.

By the formation of the large school divisions a number of schools which formerly levied and collected their own taxes automatically became requisitioning schools, thus increasing the amount of requisition made by the school divisions upon municipal districts. In practically every municipal district there were a number of these self-collecting school districts as well as those which always requisitioned on municipal districts.

In the last year before organization of school divisions was begun, that is 1936, the total requisition made by Rural School Districts upon Municipal Districts amounted to \$1,871,059.54. In the year 1941 the amount of school requisitions upon municipal districts by school divisions, and the few requisitioning school districts not yet in a division, amounted to \$2,771,433.96. The 1936 School Tax levy by Municipal Districts amounted to \$1,986,244.40. The 1941 levy with practically all rural schools within Municipal Districts now in School Divisions was \$2,931,267.62.

The 1941 School Tax Collections of \$3,168,895.00 were 108% of the current levy, which is the greatest percentage of collections to levy since this information was first compiled in 1936.

## IMPROVEMENT DISTRICTS

In 1941 there were 209 Improvement Districts in which an actual expenditure was made, while in 216 Improvement Districts a levy was made for Improvement District purposes.

The total 1941 assessment of \$73,192,965.00 shows an increase from the 1940 assessment of over \$1,600,000.00. The transfer of Improvement Districts 121 and 122 from the Special Areas Board and the levying of an Improvement District tax for the first time in seven sparsely settled districts accounted for new assessment of \$1,700,000.00. Actually therefore, there was a net decrease of approximately \$100,000.00 in the 1941 assessment as compared with the 1940 assessment.

The 1941 levy of \$685,604.74 shows an increase from the 1940 levy of approximately \$5,700.00, while the 1941 collections, amounting to \$580,387.93 show an approximate increase of \$84,600.00 over the 1940 collections. Uncollected arrears in 1941 amounted to \$1,517,785.13, an increase of approximately \$111,000.00 over the 1940 figure.

There were no changes in Improvement District tax mill rates in 1941. The average Improvement District tax mill rate for 1941 was 9.4 mills.

Cash receipts of Improvement Districts Trust Account amounted to \$585,614.19, an increase of approximately \$74,000.00 over that of 1940. Payments in the year 1941 totalled \$497,238.10, which repre-

sents a decrease of approximately \$8,400.00 as against the 1940 payments.

Total assets of \$1,973,642.14 in 1941 show an increase of \$204,648.00 over that of 1940, while total liabilities of \$1,719,990.85 in 1941 show a decrease of approximately \$54,600.00.

The comparative Improvement Districts School Divisions Tax Statement covers the years 1937 to 1941 inclusive. The number of School Divisions requisitioning on Improvement Districts has increased as follows: 1937, 8 Divisions; 1938, 11 Divisions; 1939, 26 Divisions; 1940, 28 Divisions; 1941, 30 Divisions. There were 124 Improvement Districts partially or wholly within the boundaries of School Divisions in the year 1941.

The comparative Improvement Districts Municipal Hospital Tax Statement covers the years 1937 to 1941 inclusive. In 1937, 8 Municipal Districts requisitioned on Improvement Districts, while in the year from 1938 to 1941 inclusive 10 Municipal Hospital Districts made requisitions on Improvement Districts. There were 35 Improvement Districts partially or wholly within the boundaries of Municipal Hospital Districts in the year 1941.

#### COMPARATIVE STATEMENTS

The comparative statements for cities, town, villages and municipal districts for the past five years have again been brought up to date, and may we again state that in some instances these statements do not contain as many headings as the detailed statements for the cities, town, villages and municipal districts, and it will be necessary in some instances to refer to the individual statements.

Respectfully submitted,

A. SOUTTER,  
*Deputy Minister.*
